Dear Sir

The Company wishes to advise the following:

1. Mr Mark Vellacott, the Managing Director, was interviewed by “The Wall Street Reporter” of New York. The audio broadcast can be listened to at the following link:

<http://www.wallstreetreporter.com/profile.php?id=23347>
2. Mr Vellacott has been named as one of the “Top 10 Industry Achievers 2006” by “Aviation Business Asia Pacific” magazine for: “Orchestrating the successful development and commercialisation of products used in the testing and monitoring of materials that are subject to operational stress and fatigue”.
3. Mr Vellacott last week attended the 12th Australian International Aerospace Congress and the 5th Defence Science Technology Organisation International Conference on Health and Usage Monitoring (HUMS2007) in Melbourne, where he presented a paper jointly developed with Mr Stephen Hall of Celeris Aerospace Canada entitled “Safe and Economic Management of Widespread Fatigue Damage (WFD) Using Prognostic / Diagnostic Health and Usage Monitoring”. The presentation was awarded the conference’s Best Paper Award.

Yours faithfully

Colin McDonald
Company Secretary
